6:30 p.m. to 8:00 p.m.

Desert Mirage  
Elementary School Cafeteria  
8605 West Maryland Avenue  
Glendale, Arizona

City of Phoenix

### Bethany Home/Grand Canal Flood Control Project

**Project Area:** Along the Grand Canal between the future Loop 101 Freeway at approximately 97th Avenue to Indian School Road and 64th Avenue.

The Flood Control District of Maricopa County (District) is conducting a final public meeting for the Bethany Home/Grand Canal Flood Control Project. The project partners have held six public meetings since 1999 in an effort to keep affected citizens educated and involved in each step of the process.

The District and the cities of Glendale and Phoenix have all partnered on this project, which is approximately five miles in length and goes through agricultural, residential, and equestrian properties. Several channel crossings have been developed to best fit the flood control, neighborhood, and community needs. Opportunities to incorporate equestrian and multi-use trails into this flood control project were also implemented as part of an overall flood control Corridor Master Plan and City of Glendale Grand Canal Linear Park.

The purpose of this meeting is to provide information regarding construction of the first segment (Reach A) and discuss the construction schedule. The project team will be available to discuss the project and answer your questions.

*Persons with a disability may request accommodations, such as a sign language interpreter, by contacting Mike Book, Logan Simpson Design Inc., 51 West Third Street, Suite 450, Tempe, AZ 85281, Phone: 480-967-1343, Fax: 480-966-9232. Requests should be made as early as possible to allow time to arrange the accommodations. This notice is available in alternate formats by contacting Mike Book at the address/phone number referenced above.*
