

BROADWAY AND RURAL DRAINAGE MASTER PLAN
Flooding Questionnaire

May 2012

The Flood Control District of Maricopa County and the City of Tempe have partnered to prepare the Broadway and Rural Drainage Master Plan (DMP) to identify existing flooding hazards and recommend strategies to mitigate the flooding hazards for a five-square-mile area within the City of Tempe.

The Project Team respectfully asks that you complete this brief questionnaire to help better understand the potential for rainstorm-related flooding and resulting damage.
