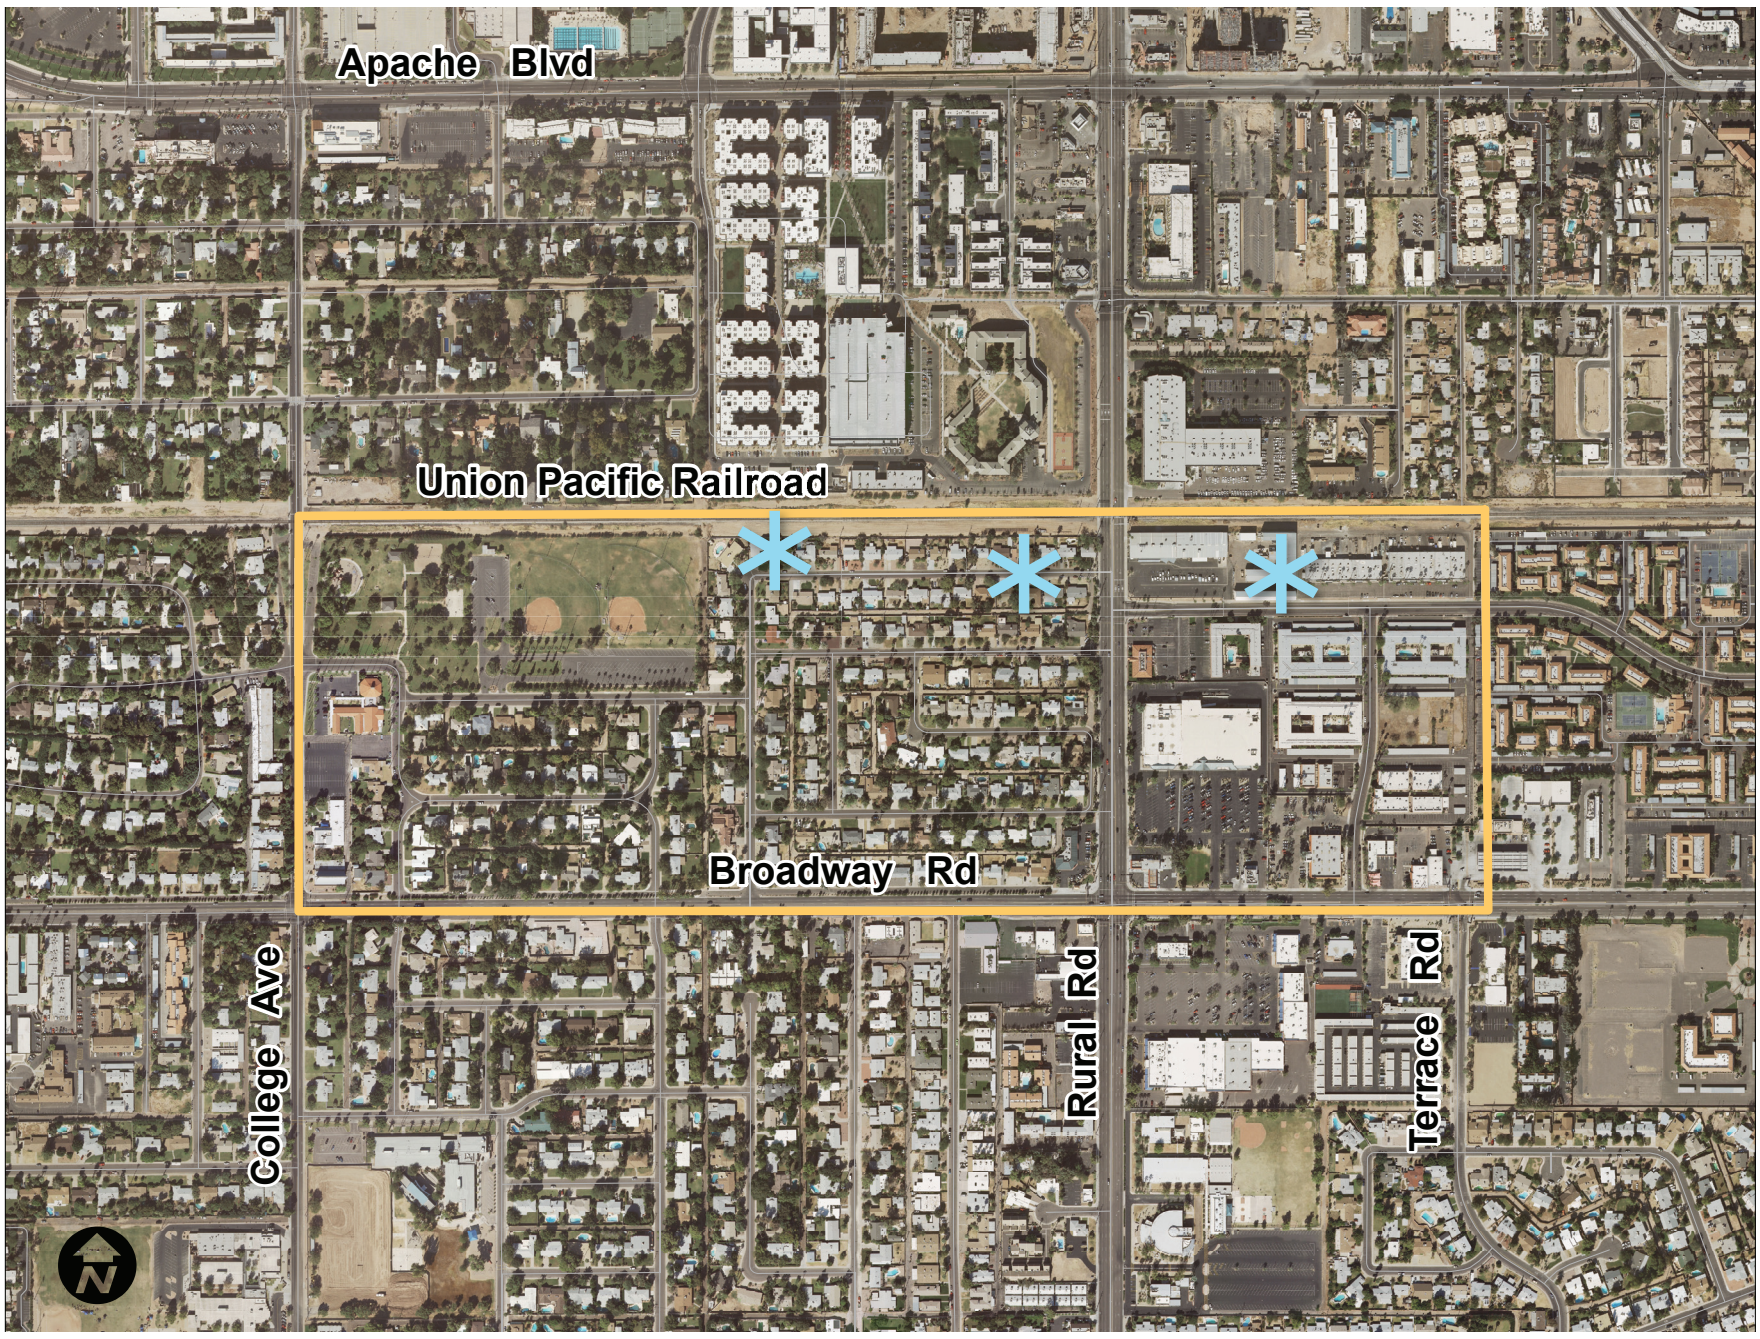
Broadway and Rural
Drainage Master Plan

Daley Park Study Area

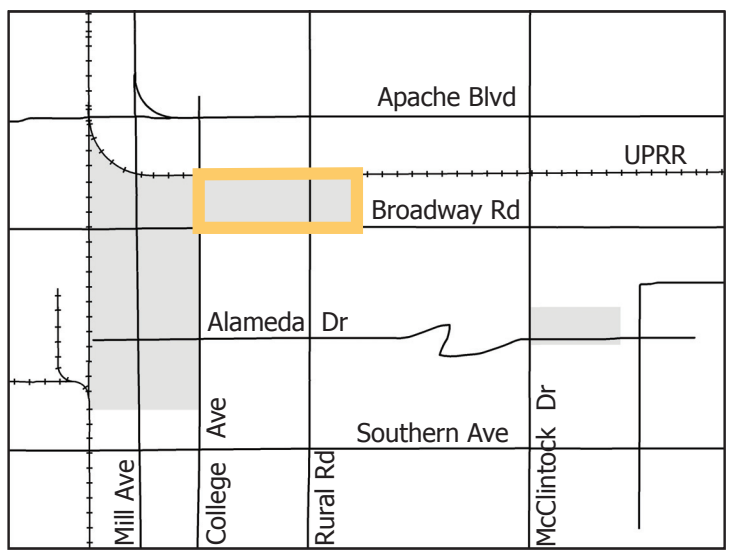


Areas that may be periodically subject to flooding caused by rainstorms

Project Schedule

- 2010 computer model analysis of different rainstorm intensities
- Gather information from residents and property owners
- Develop alternatives to mitigate potential flooding
- Alternative solutions developed in late summer 2012

Context Map



2801 West Durango Street, Phoenix, Arizona 85009, (602) 506-1501
