# Loop 303 Outfall Drainage System (Woodlands Avenue to the Gila River) CONSTRUCTION NOTICE

**24-Hour Construction Hotline: (602) 264-6416**

## Road Closure Extended through 6/20/14

### Lower Buckeye Road: Citrus Road to Cotton Lane

The Flood Control District of Maricopa County (District) contractor will extend the Lower Buckeye Road closure between Citrus Road and Cotton Lane until 6 p.m., Friday, June 20, 2014 to facilitate drainage improvements. During this time, Citrus Road and Cotton Lane will remain open. Yuma Road may be used as an alternate route.

## Nighttime Road Closure Advisory

### Lower Buckeye Road: Cotton Lane to Canyon Trails Boulevard (9 p.m. to 5 a.m. Only) 6/17/14 to 6/19/14

Beginning Tuesday, June 17, 2014, the District contractor will close Lower Buckeye Road from Cotton Lane to Canyon Trails Boulevard to facilitate storm drain installation. The nighttime closure will be in place from 9 p.m. to 5 a.m. for three consecutive nights. During this time, Canyon Trails Boulevard will remain open. Broadway Road, Yuma Road, Citrus Road or Sarival Road may be used as an alternate route.

Thank you for your patience and cooperation during this improvement effort.

## About the Project

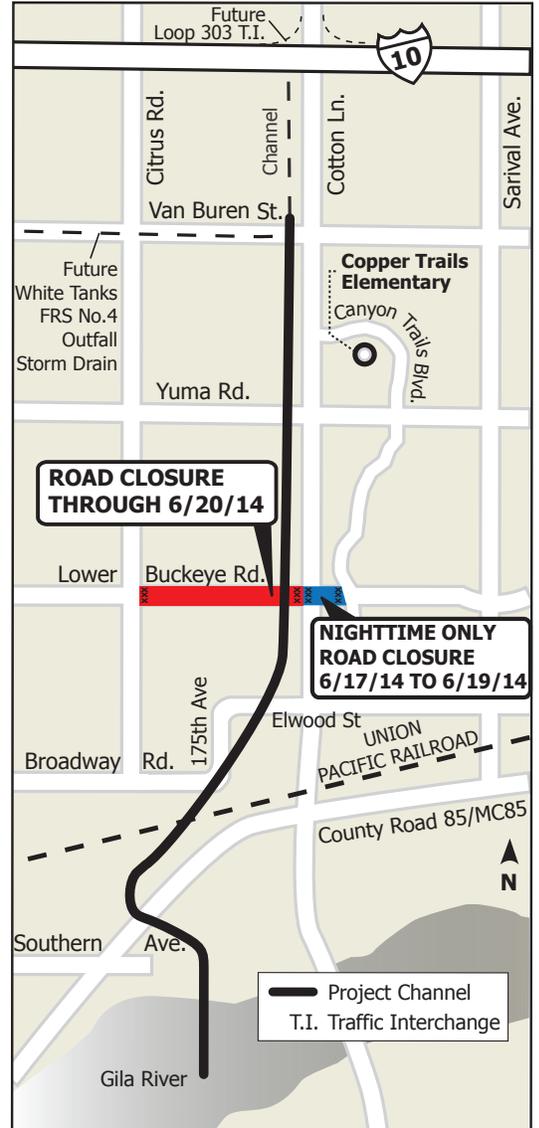

The District awarded a contract to FNF Construction, Inc. to construct the Loop 303 Outfall Drainage System. The new outfall drainage system will collect and carry stormwater runoff to the Gila River and reduce the chance of property damage and flooding to the future freeway and adjacent areas during a major storm event. Drainage improvements include construction of a concrete-lined channel, box culverts, storm drain pipe, retaining walls and landscaping. Additional improvements include street and irrigation system reconstruction for the Roosevelt Irrigation District (RID) and Buckeye Water Conservation and Drainage District (BWCD). The project is slated for completion in fall 2015.
