DECEMBER 21, 2009

FLOOD CONTROL DISTRICT OF MARICOPA COUNTY
FCD 2007C045
GILLESPIE ADMP MAPPING
PHASE II - ADDENDUM
DAVID EVANS AND ASSOCIATES, INC.
SURVEY REPORT
EXECUTIVE SUMMARY

Scope of work. This survey was to provide survey data for associated drainage structures and bridges for 6.5 miles of additional roadway for the southbound lanes of State Route 85, yielding an additional 27 drainage structures. The above roadway is located within the existing Phase II limits for the Gillespie Area Drainage Master Plan Project for the Flood Control District of Maricopa County.

The data included with this addendum covers the drainage structures for both the northbound and southbound lanes of these 6.5 miles of State Route 85.

Control datum and survey procedures are the same as was used for all the Phase II work.

This addendum is simply to provide additional data not included in the original scope of work.

Expires 06/30/2012

TABLE OF CONTENTS

Section A - Field notes and Photos of Structures (in digital format on CD)

Section B - Coordinate list of all survey data (in ASCII format on CD)
