15. Cemetery Wash - looking upstream into sub-basin SR50
16. Cemetery Wash - looking downstream into sub-basin SR50
17. Cemetery Wash - looking upstream
18. Cemetery Wash - looking upstream
19. Cemetery Wash - looking upstream
20. Wash Q (unnamed) - adjacent to treatment plant looking Upstream
21. Wash Q (unnamed) - looking downstream
22. Wash Q (unnamed) - looking downstream
23. Turtleback Wash - looking upstream from railroad crossing
24. Turtleback Wash - looking upstream from railroad crossing
25. Sunset/Sunnycove Wash - looking upstream at railroad crossing
26. Sunset/Sunnycove Wash - looking downstream toward confluence w/Hassayampa
27. Cassandra Wash - looking downstream at RR sub-basin SAC10
28. Cassandra Wash - looking upstream from railroad crossing
29. Cassandra Wash - looking downstream toward railroad crossing
30. Cassandra Wash - looking upstream from culvert crossing within sub-basin SAC10
31. Cassandra Wash - looking downstream at culvert crossing within sub-basin SAC10
32. Structure 4 - looking NW toward spillway (truck) & ridge. Note: flow from spillway flows to SE and not into basin SR26
33. Structure 4 - looking NW at basin boundary & ridge
34. Cemetery Wash - looking downstream in SR26 (near chain gate)
35. Cemetery Wash Tributary - looking North from C.P. for SR24
36. Basin SH2 - looking downstream from road crossing of southernmost tributary
37. Basin SH2 - looking upstream toward San Domingo Peak
38. San Domingo Wash - closeup of cemented sedimentary bank material
39. San Domingo Wash - bank @ upstream limit of detailed study (center of Sec. 35)
40. San Domingo Wash - unknown location

PHOTO LOG

ROLL	FRAME	DESCRIPTION
CC	1	Wash "V" - Ox Wash, ½ mile ± upstream of Hwy 93 structure - looking north, north bank
	2	Wash "V" Ox Wash, ½ mile ± upstream of Hwy 93 structure, looking west, downstream
	3	Wash "V" Ox Wash, ½ mile ± upstream of Hwy 93 structure, looking northeasterly upstream - main channel
	4	Wash "V" Ox Wash, ¼ mile ± upstream of Hwy 93 structure, looking northeasterly upstream, main channel.
	5	Wash "V" Ox Wash, ¼ mile ± upstream of Hwy 93 structure, looking easterly upstream, secondary channel south of main channel
	6	Wash "V" Ox Wash, ¼ mile ± upstream of Hwy 93 structure, looking easterly part of Frame 5, secondary channel
	7	Wash "V" Ox Wash, ¼ mile ± upstream of Hwy 93 structure, looking west
	8	Wash "V" Ox Wash, upstream of A.T. & S.F. railroad bridge looking west
	9	Wash R, Cemetery Wash - near confluence of subareas R16 & R18 - looking upstream
	10	Wash R, Cemetery Wash - near confluence of subareas R16 & R18 - looking downstream
	11	Wash R, Cemetery Wash, ¼ mile ± downstream of subarea R26 looking south - part of Frame 12
	12	Wash R, Cemetery Wash, ¼ mile ± downstream of subarea R26 looking south, part of Frame 11
	13	Wash R, Cemetery Wash, ¼ mile ± downstream of subarea R26 close-up of area shown in Frames 11 & 12
	14	Wash AE, Sunny Cove Wash, at dam looking westerly - upstream of dam
	15	Wash "F", upstream of Hwy 93 looking westerly at confluence with Hassayampa - on fire
	16	Wash "F" upstream of Hwy 93 - one hill south of wash - looking northeasterly upstream
	17	Wash "F" - upstream of Hwy 93, on hill south of wash looking north
	18	Confluence of wash AD (Sunset) & AE (Sunny Cove) looking west on Grant Street
	19	Confluence of Wash AD & AE looking east
	20	Confluence of Wash AD & AE looking north
	21	Confluence of Wash AD & AE looking south
	22	Confluence of Wash AD & AE looking southwesterly - part of Frame 21
	23	Confluence of Wash AD & AE, looking southwesterly - part of Frame 22
	24	Confluence of Wash AD & AE, looking northwesterly on Grant street

ROLL	FRAME	DESCRIPTION
	25	Wash W - Turtle Back Wash at A.T. & S.F. railroad trestle looking south at southeast corner of bridge protection
	26	Wash W - Turtle Back Wash at A.T. & S.F. railroad trestle looking north at southeast corner of bridge protection
	27	Wash W - Turtle Back Wash at A.T. & S.F. railroad trestle looking southwesterly - upstream at old trestle piers
	28	Wash W - Turtle Back Wash at A.T. & S.F. railroad trestle, looking southwesterly upstream
	29	Cassandra Wash - at Hwy 60 looking easterly downstream
	30	Wash S, Little San Domingo Wash outlet structure at Hwy 93 looking northeasterly
	31	Wash S, Little San Domingo Wash outlet structure at Hwy 93 looking north
	32	Wash S, Little San Domingo Wash outlet structure at Hwy 93 looking north - energy dissipation ²
	33	Wash S, Little San Domingo Wash outlet structure at Hwy 93 looking west at end of structure
	34	Wash S, Little San Domingo Wash outlet structure at Hwy 93 looking west - downstream at railroad trestle
	35	Wash S, Little San Domingo Wash outlet structure at Hwy 93 looking northwesterly - immediately downstream of outlet structure
	36	FCDMC vehicle and personnel on the job.
