Planning & Development Department TEMPORARY USE PERMIT APPLICATION INSTRUCTIONS

Procedures for making application for a Temporary Use Permit, as provided in the Maricopa County Zoning Ordinance.

A Temporary Use Permit is required for any of the following:

- ☐ Temporary Housing during construction of a dwelling
- ☐ Temporary Events – REQUIRES SPECIAL EVENTS PERMIT FROM MCDOT OR PERMITTING FROM LOCAL JURISDICTION (CITIES/TOWNS)
- ☐ Non-residential Use of a Mobile Home
- ☐ Underage Occupancy within the Senior Citizen Overlay Zoning District
- ☐ Temporary Seasonal Sales
- ☐ Temporary Model Home Sales Complex – (N/A in a recorded subdivision, maximum period of one year, or upon sale of development, 95% buildout or cessation of use with no active building permits for a one year period whichever occurs first).
- ☐ Temporary Construction Office/Yard Complex - (N/A in a recorded subdivision, maximum period of one year, or upon sale of development, 95% buildout or cessation of use with no active building permits for a one year period whichever occurs first).
- ☐ Temporary Caretaker's Quarters
- ☐ Other Temporary Uses as determined by the zoning inspector

After it has been determined that the initial submittal is complete, the filing fee per Zoning Ordinance requirement is to be paid by the owner or owner's authorized agent (checks should be made payable to "Maricopa County Planning and Development"). A receipt will then be issued and a case number assigned.

As of September 13, 2013, the Temporary Use Permit process shall be subject ARS § 1605, a State statute that mandates establishment of timeframes to either approve or deny a "license" as defined by the statute. The full statute may be viewed at:

<http://www.azleg.gov/arstitle/>

The statute sets up two types of review timeframes: Administrative and Substantive. The Board of Supervisors (BOS) through the P-30 Licensing Timeframes Ordinance has adopted a 25 day administrative timeframe and a 75 substantive timeframe for Temporary Use Permits. An application related to a residential use is not subject to the statute. An application that is part of design build project may establish negotiated time process during the pre-application meeting.

Administrative Review Period

The statutes allow for multiple reviews during the administrative review period.

Substantive Review Period

Only one review is allowed for the substantive review period. The County can amend the substantive review comments to address legal requirements not identified on the original substantive review comments.

TEMPORARY USE PERMIT APPLICATION INSTRUCTIONS

The applicant can authorize a 50% time increase. This authorization can be given at time of application or at any time during the process.

After receipt of an application, the administrative review period begins and staff will review for administrative completeness. The applicant will receive a formal response from their assigned planner and may be required to submit additional information. Once administrative comments have been given to the applicant, the timeframe clock will stop and will resume upon resubmittal of the application materials. Once the application is deemed administratively complete, the planner will formally notify the applicant that the project has entered the substantive review period and technical comments will be given to the applicant within a reasonable timeframe. The substantive timeframe clock stops from receipt of comments until the applicant makes a formal resubmittal.

At any time during the process, an applicant can check the status of their application by viewing the Citizens Access Portal on the Planning and Developments website:

<https://acela.maricopa.gov/citizenaccessmcoss/>

The applicant's assigned planner can also be utilized as a resource for checking application status. If at any time comments are given to the applicant, a notation will be made as to the administrative or substantive timeframe remaining which will not resume until a resubmittal is made. **Note:** It is very important to return the planner's comment memo upon resubmittal so that the appropriate statutory timeframe can resume.

Depending on the comments received, the application materials may need revisions. The owner or authorized agent must submit revised materials to the OSS. The applicant's resubmittal must meet the County's technical requirement or it will be denied. Additionally, an administrative decision of denial can be made if the Director finds that it is not possible to grant the application within the timeframe or the applicant has not provided additional or supplemental information within 90 days (not working days) of a written or electronic request for said information.

Upon acceptance of an administratively complete application by staff, the subject property shall be posted with a "Notice of Application" for a period of 10 days. If a written appeal (objection/protest) is received within the 10-day posting period, the request shall be placed on the agenda of the first available Board of Adjustment hearing for resolution of the application is deemed substantively complete. The owner or owner's authorized agent and appellant will be notified in writing of the hearing date. If no objection is received during the required 10-day posting period, the Temporary Use Permit may be approved administratively, provided it has been deemed substantively complete.

Once staff is satisfied that technical requirements have been met, staff will either approve the request or schedule the request for hearing at the first available Board of Adjustment meeting. At this time, the substantive timeframe clock will stop. If applicable, the owner or owner's authorized agent will be given the staff's written recommendation to the Board

TEMPORARY USE PERMIT APPLICATION INSTRUCTIONS

approximately 5 days prior to the hearing. The Board of Adjustment meets at 10:00 a.m. in the Board of Supervisors' Auditorium at 205 West Jefferson Avenue, unless otherwise noted.

After a decision has been made by either staff or the Board, a decision letter will be issued.

Notes:

- Incomplete submittals will not be accepted. Applications determined to be incomplete shall not be processed by staff.
- Applications for a **Temporary Event** must be submitted at least 20 days prior to the first planned event date or the application will not be accepted. Temporary Event permit also requires applicants to submit for a **Special Events Permit** with Maricopa County Department of Transportation (MCDOT) for sites that have driveway access from MCDOT right-of-way. A copy of the issued permit shall be submitted with Temporary Event application. For MCDOT permitting processing utilize the following website: <https://www.maricopa.gov/499/Permits>.

Sites that have driveway access from a local jurisdiction (city or town) right-of-way, applicants shall coordinate and obtain the required permits from the local jurisdiction. A copy of the issued permit shall be submitted with the Temporary Event application for access to street(s) and roadway(s).

- In the case of Temporary Housing, a building permit is required for both the permanent dwelling being constructed and potentially the structure being used as the temporary residence. Contact the Maricopa County Planning and Development Department – Building Planning Services for additional information. The building permit for the permanent dwelling must remain active while the Temporary Use is in effect. A separate zoning clearance and/or building permit is also required for all other temporary uses.
- Failure to meet any required conditions placed upon the Temporary Use Permit shall result in revocation of the Temporary Use Permit by the Zoning Inspector. Requests for a time extension to the Temporary Use Permit shall be submitted to and processed through the Board of Adjustment, as outlined in the Maricopa County Zoning Ordinance.
- If an applicant has not made a resubmittal of application materials in either administrative or substantive review periods after three (3) months, the application will be closed due to inactivity.

The conditions of approval of this Temporary Use Permit may be appealed to the Hearing Officer pursuant to ARS § 11-832. Provide request for appeal to the Hearing Officer Liaison at this address within 30 calendar days of the administrative/ministerial approval date to schedule an administrative hearing.
